

Project Leadership Associates Knows Legal

Since 1998, PLA has helped hundreds of law firms improve business performance through our business and technology solutions. Our goal is to deliver measurable value while meeting client business goals and objectives.

Our Legal Solutions help:

- Improve revenue and profitability
- Improve business value
- Increase operational efficiency
- Lower costs

Please visit the PLA booth (#607) to learn how our Legal Solutions can help your law firm or legal practice take advantage of the latest business and technology trends.
