## OMNIOS IMPACT

### NEWS

We are excited to announce our newest initiative based on the results of the 2006 client survey: the Omnios Impact e-Newsletter. The newsletter will provide you with industry trend insights and updates, helpful business and project management tips, and details on upcoming Omnios events. We hope our Omnios Impact e-Newsletter will serve as a valuable resource and provide you with insight into our evolving industry. Stay tuned for the next issue in late summer 2007.

### INDUSTRY TREND UPDATE

More and more companies are looking for additional functionality and streamlined business management capabilities from their systems than ever before. [Click here to get the latest information on this growing industry trend.](#)

### CLIENT TIPS

Upgrading and investing in your existing business and financial management systems to increase functionality is an important decision. [Click here to learn what to keep in mind when developing a system upgrade strategy.](#)

### WHAT IS BUSINESS READY LICENSING?

Last year, Microsoft unveiled Business Ready Licensing (BRL) for Microsoft Dynamics™ business management solutions, which simplified and enhanced the value of its licensing and maintenance programs. [Click here to learn what this could mean to your company.](#)
